Health Summary

The Health Summary provides you with a convenient summary of important information in your health record. **Your summary** includes up-to-date information concerning your current health issues, medications, allergies, immunizations, and preventive care.

Use the tabs to open a different section of your Health Summary.

Current Health Issues Medications Allergies Immunizations Preventive Care

Below are your current health issues. If you no longer have a health issue, hover over the issue and click on the REMOVE button to request updates. Click on the ADD A HEALTH ISSUE link to add additional health issues. The Learn more links will take you to additional information about that health issue. **Call 911 if you have an emergency.**

You have no health issues on file.
